Town of Hatch Budget Summary

The 2007 Budget was adopted by the Hatch Town Council on June 14, 2006. The 2007 Budget reflects normal operating costs of administration for the Town of Hatch. There are no increases in taxes for fiscal year 2007. The budget contains increases due to the Town Council adopting in 2006, a new rate schedule for water usage. Other impacts to the 2007 Budget include a small increase in compensation to the Town Council and Town Officers. The Town of Hatch appears to be in compliance with all budgetary requirements as mandated by Utah State law.
